Betty and Mona and both families; I was saddened to learn of Terry's passing. Although I didn't get to meet Terry face-to-face but a few times, he gave off a kind and friendly demeanor. Something that makes me feel he was a great guy is that YOU married him. With you and I being classmates, I thought much of you over our school years in the "good ole" class of '61and I knew you as a high caliber woman. Subsequently, I respected your decisions and choices. I got to know Mona during a photo session. She is a jewel with a super personality and I'm glad you two have each other. Please know our prayers were with you during Terry's illness and are continuing. Our prayer is that God will strengthen, undergird you with His Love and give you peace. May He richly bless all of you. Sending our love.

To Betty and all the family, Louise and I send our love and prayers. As I told Betty the other day the memory that I have that means so much to me is the memory of visiting them in Atlanta (?). I do not remember the exact place but I do remember that when I arrived I did not know where to go. As I was walking in they came from another direction and we went in together. Neither of them knew I was coming. We had a wonderful visit. I will never forget it.
