“ I have known Randall since 1959 and worked with him for many years. I retired from ALDOT in 2002 and Randy retired a few years later. After our retirements we kept in touch and talked regularly by phone. We have a little restaurant here in Springville and we both loved to eat there. Many times Randy would call me and say he was passing through and I would ask him to stop by and we would eat there. I still think of him every time I go there He was a very intelligent man and a real friend and I will miss him. I remember when he would call his first words were "this is your other friend, Randall Estes". Rest in peace Buddy.

“ On behalf of all former and many current ALDOT employees throughout the state of Alabama, we send our prayers and sympathy to Randall's family. He was my friend and co-worker during most of his career. He had agreed to be in charge of my memorial service when that time comes. God rest his soul.
