“ Mommy I miss you beyond words. I love you. We have so many memories together. A whole 37 years full. I am so lost without you. You was my light in the dark days. Life is so hard with out you. I am thankful for the time I had with you. Rest easy mama. I'll see you again one day. I love you so much.

“ I cannot believe that I am not going to talk to you, text with you or see you again. We were more than cousins, we were friends. We got married, we had our babies, we divorced a couple of baby daddies. We did these things together and when it was going bad, we were there for each other. Now, you can rest and know that your babies have a lot of people who are just a text or a call away. I love you, Amie and I will miss you! 😭 Chris, Kristy, Tammie, Codi, Dennis, and Jacey: you are all in my prayers. And, I love you all. God bless you! 🙏💕💕
