“ I worked with Ashley on 4 east at Redmond. We had a card going but quickly ran out of room on the card, no surprise. Everyone had so many amazing things to say about Ashley. She was such a kind soul and put 100% into everything she did for her patients, her work family, her farm, and her family at home. I truly believe she was one of the most selfless, most kind human beings I've ever had the pleasure of knowing. It absolutely breaks my heart she will now longer be here with us but I have comfort and peace knowing she is resting with the good lord watching over us all. She was always there for anyone at anytime and always a trusted person to lean on. She will be missed so much by myself and ALL that had the pleasure of knowing her. I send prayers for her family and fiancé during this most difficult time.

“ David and Wanda, you raised the most beautiful daughter who has always been so loving and kind and wanting to make everyone smile. I've always loved talking with her and I will miss being able to stop and chat a minute when I would see her out in the yard. The world is a sadder place without sweet Ashley in it spreading her infectious cheer. You are all in my prayers, I am so very sorry for your loss and pain.
