“ We are praying for the Family. Aunt “Bunny “ took me to my first movie theater to see Chitty Chitty Bang Bang .She was a great cook, we were always glad to see what she would cook for family gatherings. She made a wide variety of animal cakes for the kids through the years. In later years in life she served at my wedding and prepared a resume that would land me a job at Honda where I have since retired. She was an asset to our family and will be missed tremendously. ❤️.
