“ With deepest condolences, I was very saddened to hear of Beth's passing. We were classmates graduates of 1981 from Piedmont High School; and where ever I saw her while visiting Piedmont, she was always the same - nice and kind. Rest in peace.

“ Dear Danny and Andrew, You are in my thoughts and prayers. Beth was so dear to me and my family. I first met Beth at Dugger Mountain Assisted Living when Mom became a resident. I learned over time to love and appreciate Beth more than words can express. Beth was the long pole in the tent and the "go to" and always, always showed caring, concern, and compassion for the residents. I know my Mom's time there was enhanced due to Beth. Beth took time to give Mom her attention and it made Mom feel special.

In my initial shock, the only ray of light for me was knowing Beth was in heaven already in the presence of Jesus, and the next thought was there were a host of other former DMAL residents, including my Mom, that were welcoming her home. I will always cherish my memories of times shared with Beth. She was a beautiful person who loved and gave to so many. Beth will be greatly missed by our community.

*Sincerely,
Amelia Hart*

“ Danny and Andrew you are in our thoughts and prayers. Beth was such a special lady. Beth cared so much for her family and friends. She was there when they needed her, always sending cards, texting on special occasions letting you know she was thinking about you. Bessie as Todd called her was his best friend, always there when he needed her. Bessie will be greatly missed. We love both of you. Bruce and Janet Mobley

“ We got to know Beth when she worked at the bank and then even better when we found out she was the niece of our next door neighbor Virginia Dothard. She always had a smile and a kind word for everyone she met. Please know you are all in our thoughts and prayers.

“ Nothing we can say will take away the pain and loss you're experiencing. Please know that we care about you, and we share in your sadness.

There was no one in this world like Beth. She was a special person who loved with all her heart. She was a blessing to those she served at Piedmont's assisted living facility. She will forever remain in our hearts and memories.
