“ The day I met Miss Brenda was the day God put my dear friend Kristina Dunnaway in my life. I was there to clean the home for Kristina and her mother (Brenda) let me in. She would laugh and tell me I was working hard and was making her tired watching me work lol. I chatted with her for 7-8 hrs that day before Kristina got home. Once I was finished cleaning, she gave me a bracelet and told me how much she appreciated the hard work I did for her daughter. Little did I know Kristina would become one of my dearest friends and her family became like my family. Brenda was strong, loving, and funny and carried that energy every time I saw her. Brenda I hope you know how loved you were here on earth, and I'm thankful to God for his mercy with you and allowing you to get the time with your family you needed. Rest well in the comfort and love of our father, your home now ole girl 🥰🌸
