“ Jan, I hate that I missed all this. I did not know Buddy had even passed until a few years after his death. I had no idea. Please forgive me for not being there. If you get a chance contact me at randall.t.heflin.civ@mail.mil. I know Kim would love to hear from you. We are in Huntsville now. Just so you know - I loved this guy. Best boss I ever had. I would have marched into hades and slapped the devil for him. Dang I miss him. I am not worried though - I (and you) will see him on the other side. Praise the Lord God Almighty for he is good! Always your friend - Randy and Kim and of course the kids.

“ Words can not begin to express how sorry I am for the loss of Buddy! I know that each of you will miss him for so many reasons, but take comfort that he will never be in pain again! He overcame so much with the love and care that you showed him! I got the pleasure of getting to know him and I have to say he was one of a kind! I love each of you and will be praying that God gives you the strength to get the the next days, weeks, and months ahead! Love, Tammy
