“ *Donna,
I am so sorry to hear about your dad! I have so many wonderful memories of our times together and of your family. I always felt the strong love between your mother and daddy and I'm sure that was the case right up to the end. My love and prayers are with you today. There are some things going on at work today that will prevent me from being able to attend the services. But I want you to know that you and your family will be in my prayers. May God wrap His loving arms around you and bring you comfort and peace. With all my love.
