“ So thankful for all our sweet memories together. I am also thankful that she was a part of my life, I am far richer for having known Cheryl. I will cherish our years as friends and co-workers. As my granddaughter Catherine said "heaven gained an angel. She will be misse," but she will never be forgotten.

“ Cheryl and I took piano lessons from Ms. Francis at Jacksonville State in 1978. Even though we were cousins, it was a frozen moment in time. We didn't continue our friendship. She was a wonderful person! And she had beautiful hands that could stretch above an octave!
