“ I remember Claude Henry and his cool convertible back in our high school days. He'd pack in as many as could fit and drive us home. I can just see his big smile. This news came as a shock and I'm sad for his family & loved ones. My prayers & love to you all.

“ *I am so sorry to hear this!! I just found out. I have so many memories from my childhood and young adult life that I can't even begin to list them... But, when we were kids, Claude would get out and play hide and seek, baseball or whatever, with us as kids and teens.. That was always fun and I have never forgotten it. Leisa*
