“ Its hard to believe you're gone. Since the lord has decided for you to have your next birthday with him, instead of sharing a birthday party with Sierra (since your birthday was a day before hers) like we had joked bout doing next year I promise to have a cake just for you anyways & ill even make it so all my animals can enjoy it for you.

“ Dana will always be remembered for her gentle & kind soul. She had a heart bigger than most, especially toward animals. She had a gift for taking care of others as well as taking awesome care of her pets. She helped me when I wrecked across from her house. May you rest in peace & be free from pain.

“ my darling Dana,
when I went outside late that night,
I saw a star burning ever so bright,
I knew you had left this earth to go up above,
To rest in peace and have eternal Love.
But the memories of our days together,
Will stay deep inside my heart forever.
Missing you every minute..

“ I am going to miss Dana tremendously.I knew dana from her sister Rena, We all were real close all through middle and high school. I will miss Dana calling me sayin.. "my mechanic i need u, my car is doin something funky" I always have a grin on my face when she says that. She was a beautiful young lady whose life ended way too soon. Shes with the Lord now as one of his angels. I am comfortable now to let her go.I will miss her always.
