“ *So much I could say about Dave but it would be too long on this site....I loved him like a brother...and he was my rock after I lost Gary...I don't think he would come by as often as he did when Gary was here, guess it brought back so many sad memories of his brother and feeling sad because both of his brothers had passed on and left him to carry on . I will miss her dearly, I miss his dry sense of humor and he never missed a chance of making me laugh. All three brothers had a sense of humor and in their own way, could make you believe everything they said was the gospel, but took me awhile after being in the family for awhile... I finally learned. how all three could just make your day much brighter with laughter... Gary and Dave walked every morning but after Gary passed away.. Dave kept walking but he always looked lost like there was something different as I watched him pass by my house. Like I said I could write a book..about the Dothard Men; Miss you Dave and will always remember you with fondest memories  
Love Rose..*

“ *Dothard Family,  
We just learned of Mr. Dave's death; so sorry. Know that you miss him much. My Dad, Buford Bishop, was an Alabama State Trooper and good friend of both Mr. Dave and Mr. E. C. Dothard. Daddy passed away in July 2010 and Mr. Dave was there for Daddy's service. My Mother still lives in Wedowee but didn't see the obit in the paper. Please know that the Buford Bishop Family is praying for y'all and thinking of y'all. God Bless!*
