“ I am sorry for your loss. Dewayne was one of the sweetest people that I have known. He was always smiling and never had a harsh word for anyone. We will miss that smile so much.

“ Dewayne is truly one of the best people I have ever met in my lifetime. He never had a cross or negative word to say about anyone and was always willing to help whenever and where ever needed. His love for his wife and daughters was obvious when he talked about them, which he did often. He was so proud of his family. Our plant and especially our maintenance shop will be a much lonelier place without this wonderful man and his warm smiles. My heart and prayers are with all of you.

“ I only knew Dewayne for a short time and in that short time he was endeared to my heart. He talked about his girls and family with a love so strong and proud. He was a wonderful man. He would do anything for anybody to help. My heart goes out to his family. May God bless you. He will be missed. Rest in peace dear friend.

“ *I am so sorry for your loss. I went to school with Dewayne from 1st-
12th grade, and we graduated together in 1985. He was always
such a kind and happy person. I can't remember ever seeing him
without a smile. From reading the other entries I can see he hadn't
changed over the years. He touched many people with his kind
personality. May God grant you peace and comfort during this
difficult time. God Bless!*
