“ Just cannot believe you're gone, I thought we had all the time in the world, but now that time has come to an end. We love you, Deborah and we're gonna miss you so much. Especially, you just dropping by to see us or calling to see what we're doing. I know you're gonna be a beautiful Angel watching over all of us, but, this just can't be real. We love you so much, Danny and Wanda
