“ My twin sister, Jean (Sanfratello) Reeves & I first met Debbie (Deborah), her mom, Betty , & step - sister, Rita, at a local church in town, when they were 5 years old. I looked up & saw , on the corner of the street , a beautiful lady holding two little girls in each hand, that image of them never left me! They later moved to the country & started elementary school at our school, they were both in our class. We became life long friends! I have to many memories too count, she'll be missed dearly !!
