“ Michelle,  
I am so sorry you lost your mother, and the boys lost their grandmother at such a young age. Please let them know I am think of them, also. (I had no idea you had a connection with the Bass family! That's something we never talked about when I was getting to know you and your precious boys.) You and your family are in my thoughts and prayers. If I can do anything for you, I hope you'll call on me.  
Love,  
Towana
