“ *Drake was a great person whom I enjoyed helping take care of him. He would always make me laugh and just being around him he would light up the room. I am so sorry he is gone but I know he is having a big reunion with his father and the rest of the family in Heaven,. He will be greatly missed.*

“ *Drake was a blessing for all of us.I loved his big smile when you walk in the room and say "Hey buddy" Drake was always happy to see me. When Ryan was in the hospital I spent months at Lynnes house. So Lynne didn't have to worry about her children. I was blessed with the opportunity to have all that time with Drake, Abigale and Tanner. The love I witnessed between the children was beautiful. Unforgettable, just like Drake is. Love and prayers to All that have loved Drakie.*

“ As a baby , Drake liked swimming in Uncle Mikes pond with his daddy Ryan, holding him. It was so sweet seeing him in his life jacket staring at Ryan.
