“ *Dear Donna and Family,
I was so sorry to learn of your Mother's death. You have my deepest sympathy. I will always cherish the great times we shared together at church and our teenage years. Your Mom was like a second Mother to me then and she will always hold a special place in my heart. May God be very near to you at this sad time and give you the peace and comfort that only He can give. My prayers are with you.*

*With love,
Elaine*
