“ My granny was my bestfriend. She was the one the whole neighborhood called granny. All my friends called this sweet lady granny. She never hesitated to help anybody and most definitely loved spreading the word of our savior. She was the most selfless, kind hearted, loving person you could have ever met. she loved all her children, grandchildren, great grandchildren, great great grandchildren, nieces, nephews, cousins equally. When I needed any kind of womanly advice she was the one I called on. You will forever live in my heart. My kids will forever know your name. I'm sorry in the delay on actually getting to write this but it has took me some time and I'm sure you don't mind lol. Love your forever EA twin. <3

*Emily,*

*this is such a Beautiful Tribute to your Granny. She loved you and your children so, so much. Nothing like a Granny. I certainly loved mine.*

*I know she loved with an everlasting and eternal love as you so eloquently stated. She loved every one of us the same.*

*I fondly think of Aunt Edna almost daily. She's never far from from thought, always in my heart, never to depart. The praise report here is if we are a truly born again believer in Jesus Christ and He is Lord of our life God gives us such a beautiful promise. God cannot lie.*

*That promise is when we leave this old life here and pass into eternal glory we will be in the presence of our Heavenly FATHER and all those Saints like Granny Allen who loved Jesus Christ who truly repented of their sins and ask Jesus into their hearts will see Granny Allen again and God promises us that we will know who she is and she will know us.*

*Praise God, Praise God !!! She lived for the Lord in such a way and wasn't ashamed to share her faith. Granny Allen wanted everyone around her to know her Jesus.*

*Her light was shining so bright and oh Hallelujah didn't she let it shine. She labored daily carrying her cross and sharing the love, mercy, grace and forgiveness of our Lord.*

*You know Granny she never met a stranger. Her hearts desire is to see you ALL in glory with her. She lived and breathed the Holy Bible. I love and miss Granny Weaver but i know i will see her again as well based on her profession of FAITH. i wouldn't miss it for the world. I'm glad she showed me the way to heaven and it only comes through Jesus Christ. He is the only way the truth and the life no one comes to the Father except through Jesus Christ our Lord.*

*JOHN 14:6*

*Salvation is so easy.*

*John 3:16*

*I love you Emily and all the family. I felt led to share in honor and memory of Granny Allen. Until that grand and glorious reunion day. I loved her like she was my Mom, my Aunt, my Granny and my Best Friend.*

*Granny would want us to love one another and our neighbors as ourselves while sharing our faith in God and pointing others to Jesus Christ showing them the way to Heaven.*

*I know that God welcomed Granny Allen into Heaven with these words Welcome Home my Child.*

*Well done, my good and faithful Servant*

“ *I feel such profound loss. I said a prayer for my grandma each night, she was always the first to have a blessing of love health, and comfort. I can not imagine not having her to talk to on the phone when I am on a long drive. She was the most loving, loyal, and patient person that I have ever known, Never mad, once she was irritated, but it was so funny, she described it as madder than an old wet hen. It is not fair.*
