“ *So sorry for your loss. Juanette and I had alot of fond memories. We lost touch when we married and started our families. She could do anything. Great ball player she could hang with the boys in her neighborhood. She could play baseball with the best. Bruce and Janet Mobley*

“ *She was full of talent beyond most anyone I’ve ever met! She loved her Children and Grandchildren more than they could ever imagine. She, was self taught at the art of doing hair/wigs and making many women and men feel better about themselves. Self taught at playing the piano, loved learning what her daddy was doing and working on. If she didn’t know how to do it, she would figure it out! She was my neighbor first that I grew to love beyond comparison. She called me her angel and I loved than she grew to help fill the void of losing both my Mother and Father! Thank you for taking me in, teaching me, showing me what strength, dedication, determination, and being a true servant of all that depended on you to love, make them feel better about themselves and keep their secrets!! YOU...were all around amazing to all that came into contact with you. You will be missed. Forever rest in peace and I will see you again one day! Love you always, YOUR Angel (as you always said) Chad, Kason and I will forever love you 😊*
