You are in our thoughts and prayers. Your precious mother/grandmother was a gift from God to us all. She made each person feel that they were special to her...even if she had just met them. She was beautiful...both externally and from within.....and always stylish! As I noted on your fb yesterday, Tim, your mother lit up a room with her smile! She was well loved by her family and friends. While her presence on this earth will be greatly missed, we rejoice with you in knowing she has entered her Heavenly home. Love you, sweet family.
