WILLIAM LOUIE PARKER - June 20, 2018 at 04:52 PM

RD

“ I'm so sorry for your loss. It's difficult to know that no longer will you feel those loving hands, to see the smile, and hear the voice of someone we love, someone who has guided us and shaped us for so many years. But know in your heart that she will continue to look down on you with love and affection until you meet again.
