“ My nanny’s best friend , prayer buddy and one of the sweetest women I’ve ever met . My first memory I remember is when I was little she would give me candy out of her purse everyday and some trident gum haha. She will always have a place in my heart and glad her and nanny are back together again

“ Floria was such a sweet, kind lady. Her church family, especially the kids, were so lucky to have grown up with her in our lives. I cherish the quilt she gave me when I got married and memories of her on the hayride at the church's fall festival, the flowers she sent us we planted in the front yard and just talking to her. She'll always be remembered and thought of fondly. Prayers for the family. We love you.
