“ I've never met a more simple minded man, that showed no grievance to those that may have wronged him, he loved those that knew no love, he forgave those that asked and those that didn't, he was a father to many, a brother to all, a man of means by no means, remembered by the lost and forgotten, character that went above and beyond, a smile that sings a song, a heart that reflects a real Christians sorrow for those that are lost, and most of all he was my Dad! Pop my song will always carry your tune, half the man i am not, but Proud that i carry His name, and most assured that his love will always remember his family, friends and those that remember just Santa, Pop i cant wait to see ya again, please talk to the lord for me,,so that i may, God's gift i received!

“ I am so saddened to hear of Mr. Floyd’s passing. We worked together for many years at Walmart, and in that time I learned of the love he had for his family and for children. I have pictures that were taken over the last 17 years of him, as Santa, and both of my granddaughters. There’s one in particular that I always display at Christmas. I’ll always remember him as one of the most patient and kind men that I’ve ever met.

Melinda, my heart is broken for you right now because I know how bad it hurts to lose one of God’s most precious gifts to us. Please know that you and your family are in my prayers at this difficult time. Cherish the sweet memories you have and allow them to bring you comfort. 🙏
