“ *Whenever I was visiting, I always stayed with Aunt Frances, she loved having company. She was a great cook. She never failed to call & check up on me several times a year.I loved her enthusiasm about Geneology. Once when I was there, we were eating dinner with Brian and Kristi, when the sirens started to go off.I said "what is that"? And was ready to run to the nearest shelter. She said Brian, turn on the tv see where it's headed, while she just kept eating, afterward we all laughed...didn't seem so funny at the time. I will miss her calls. Fly with the Angels Aunt Frances...I love you ?*
