“ Frank was one of the nicest guys ever. It meant a lot to have a brother-in-law like him. We enjoyed many conversations and I always knew I could count on him. I remember one time that I went on a trip with Frank and Cheryl. We had a great time panning for gold or any kind of gem. We never got rich, but we sure did have a great time.

Cheryl - I know it is hard to lose someone precious to your heart. It is difficult for words to bring comfort at this time, but please remember how much you are cared about. Know that you are in my thoughts and prayers always. My deepest sympathy and love surround you at this time. Your Sis.

“*Frank, you were always a pleasure to be around and fantastic to work with. I was greatly saddened to hear of your passing, and I'm praying for your family. I was always fascinated with your knowledge of antiques, tools, woodworking... well, pretty much everything! You were the Jack of all trades... and even master of a few! The world is a lesser place with your absence; you will be greatly missed, my friend.*

*Mrs. Fardello, I'm continuing to pray for you, and I think of you and your family daily. I can't imagine what you're going through, and I hope that you can find peace soon.*

*With love,  
Ryan Yates*
