“ I will always remember Mrs. Morgan with great fondness. She was very sweet and full of laughter. I'm pretty sure that did my first animal dissections under her tutelage. I'm very sorry for the loss of such a special lady.

“ They don't make teachers like Mrs Morgan anymore, she didn't give an option one way or another you were gonna learn what she was teaching, I needed a 72 to graduate, she gave me a 73. Will miss you miss morgan. Always remembering her over last 22 years, she impacted on my life.

“ Dear Warren, Melissa and family, I am so sorry to learn of the passing of your mother, Glenda. I know she was very proud of both of you. What you have accomplished is a reflection of who your mother was - a top tier, quality person who became a top tier, quality teacher. I respected her for the great teacher she was, but she was fun too and had a great sense of humor. I can still hear her laugh. Comfort and love to you and your dad.
