“ I send my deepest sympathies to the Thompson family. I'll never forget me I was in Piedmont at the chick house and she messed around and put me out early in the morning. I'll never forget I got in touch with Shaud and we ended up getting in touch with you. You got up out your sleep and came and got me bro and welcomed me to your house. You never knew me you just knew of me. You invited me open open arms with you and your family. Even fed me 😊 That's one memory I'll always remember cause everyone wouldn't have had the heart to invite a stranger in as if they were family. You was a real in my guy. Rest in heaven brother 🙏💙
