Tribute Wall

“ I was raised up running around in the shop that Grover worked in because My father Leon Robinson worked side by side with Grover for year at Oxford Tire Service and Grover used to always kid me about a snake or a pit monster was in the drain hole in the Alignment pit. For years as a child I always went to look but never found it! Grover used to laugh and laugh about that! Prayers continue for the family and friends, sincerely Matt Robinson

I will remember how when he was so terribly sick he would have a positive attitude, which I admired so much but the last few weeks he was not as positive. I remember visiting when we were children, he was always polite and kind to us. He will be greatly missed ,
