“ Bo, I will miss you alot, but most of all I will miss your beautiful smile. I know since Springs shut down we didn't see each other much unless we ran into each other at the store. I will always hold our friendship in my heart.

“ Bo always had a smile, spoke to everyone. I knew him at Springs. He scared me at one time ....my car caught on fire at work in the parking lot Bo was the first one to it. My phone was in the car ,ringing, he was trying to get the door open to answer that stupid phone and see if he could get under the car to see where the fire was. Fire truck came and asked him to leave before he was hurt. He apologized because he could not put out the fire . Good man. Will miss him .j9wG

“ Good-bye and God Bless to a special friend who always had a smile and a helping hand for everyone. Some people "will" give you the shirt off heir back. Bo "did" give me the shirt off his back. I told him I liked his shirt and he gave it to me. Every time I would wear it to work, I would get a big hug and we would have a good laugh. Bo will be missed by many ,many people. LOL , Peg

“ Bo will be missed by so many, may God keep His Loving Arms around his son and granddaughter in this time of sorrow. I have known Bo for many, many years and he always had a smile and something nice to say. No matter where we happen to be, he always made sure to speak. Heaven sure did get an Angel, but here in Piedmont it's gonna be lonely for a lot of folks. Ya'll have my prayers. Wanda Kirk

“ I have to say I'll see you later Bo! Goodbye sounds so permanent & I know that we will meet again. You were one of a kind. I have treasured our friendship for many years and loved every thing about you. I'm going to miss your sweet smile, sparkling eyes and of course that heart of gold! You were more than just a friend, you were my rock. Most of the time you knew I needed to talk even before I did. You listened without judging, never trying to tell me what to do but always willing to help in any way you could. I could always count on a great big bear hug from you no matter where I saw you and I'm gonna miss that! I know you gave Brenda one of those hugs when you walked in Heaven's Gate, give her another for me.

As somebody else said, you will always be Piedmont's Sweetheart...There will never be another like you! I Love you my friend. I'm gonna miss you, life will never be the same without you here...Tesie

“ To The Family,I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, If an able-bodied man dies can he live again? You will call, and I myself shall answer you. For the work of your hands you will have a yearning. (Job 14:14, 15). God will have a yearning to resurrect faithful ones.
