“ Off & On since running into Feroy at my Aunt Nancy Doss's Visitation, I've wondered about Wayne, where he is, who he married, etc. Now I know ... he's no longer on the planet. May the Lord comfort the family and friends during this time of releasing and letting go. Just hang on to the Sweet Memories. I remember the Holley family living at Leyden's Mill. I lived with my Grandparents, Clanton & Buna Glass up the road in a 2-story white house owned by Jasper Borders.
