“ Heidi was my best friend and the best sister in love I could ever ask for. My heart is almost empty. But I know she's no longer suffering and she will get to greet me when I get to heaven! She's always touched my life for 40 years! I'll see you again!!! Fly High sweet beautiful Sister! You've already gone to do great things! You became a organ donor, your beautiful eyes will live on and allow someone to be able to see again!!! This isn't goodbye, it's just, "I'll see you later". <3<3
