She loved her large family and always put them first. She will be remembered as a selfless wife and mother who always had a smile, even when times were tough. She had a quiet strength. She never complained and always looked to a better future. She loved cooking, yard work, crocheting, and most of all

taking care of her family. She always sacrificed her needs for the good of her family.

She was a real-life superwoman, who listened more than she spoke, loved with every fiber of her being. She baked the best red velvet cake that couldn't be duplicated. She was always selfless in action and put everyone's needs above her own.

In lieu of flowers memorial contributions may be made to the Venecia's Foundation in Piedmont, AL or St. Jude Children's Hospital. The family would like to extend a special "Thank you" to Baylie, Hannah, and Enhabit Hospice Care for the love and care shown to our precious Mother.

“ *By far the Best neighbor we have ever had. Helen welcomed us with an open heart and an open door. We were able to spend a few short months with her husband before his passing. We grew closer with Helen each and every day, we became part of her family too. This woman loved with all she had and will be greatly missed by our family. Love The Thompson's*
