“ I am saddened and surprised to learn of the death of my friend and coworker Homer Voiles. He strived to be the best at all he did. His peers say the he was the best during his career. He traveled far and wide, making friends all the way. Homer was a master at woodworking and at restoring his classic cars. He will be missed. Rest in peace, my friend. Randall Estes

“ So sorry to learn of Mr Voiles death ~I first met him when his mother came to the nursing home. He and Mary were so loyal to visit. He once made me a clock for my office- and told me it was mine when I left. Years passed it has been in my kitchen now for more than 20 years. Best Clock ever especially adding his woodworking with it. He and I also crossed paths at the RockRun Christmas parade. He loved driving his classic car. He will be missed.
