“ We are saddened to learn of Jean's passing. As a kid I always thought it amazing that someone had another person who looked identical as with her sister Joan. Find peace knowing she is at rest with our Lord. Kelly & Brenda McWaters

“ *Julian & family,*

John and I cannot begin to express our heartfelt sympathy for you all .

Jean and Julian have been like second parents for us. The decisions they made including us, made a monumental impact on the direction of our family's life. We have so many wonderful memories of dinners, trips , & sharing family stories that we will forever hold dear. Jean and I had many opportunities to have great talks while John & Julian were " working " .

We thank you both from the bottom of our hearts. And, as I said, you were both exceptional in our lives for over twenty years. God Bless & we love you John & Gail

“ Julian - We are very saddened by the news of Jean's passing. Michele and I have many fond memories of the times we spent with you and Jean particularly around the holiday season. Our wives both being twins had much in common as do you and I with our passion for hunting and fishing. Our thoughts and prayers are with you at this time mourning and want to express our deep admiration for the fine example you and Jean set for all families to follow. I hope our paths cross again someday where I can say this in person. Our most sincere condolences - Pete & Michele Keenan.
