“ *Beverly, I was with Mother (Mae Spradlin Williams) when Marianne called to tell us of Jean's passing. We were deeply saddened and so wanted to attend the viewing prior to the service Thursday. Mother is 92 years of age now and cannot walk without assistance. The windy damp weather prevented me from taking Mother to the funeral. We loved Jean very much, Mother loved her dearly, they were life long friends. I attempted to comfort Mother with the assurance that we will see Jean again in heaven. May your heart be comforted with that assurance as well. Hope to visit with you soon.*
