“ I met Jed when he became a part of the Singer Family. Jed was married to my Niece's sister in law Hannah. Jed you were a challenge as you were not big on receiving hugs when you arrived to visit are when you were leaving. But my beloved sister Darlene and I could see there was more to you than you showed. We both became very fond of you. You crossed into our hearts. So from that moment on I was Aunt Rona. I enjoyed our talks and I will miss visiting with you. But I will always remember the young man named Jed who I was so very honored to meet. My thoughts and prayers are with all your family and friends as I know we all are saddened by the loss of our Jed. You will always be remembered but not forgotten. Always Aunt Rona

“ I never got to meet Jed in person & I'm very sorry for that. From everything I heard, I know that he was a great person. He was a hard worker, a good provider, very handy around the house & most important, he made my friend very happy. For that I am so grateful. It's so tragic that his life was cut short at such a young age & just when things seemed to be going in a good direction for him. My thoughts & prayers go out to his family & friends during this difficult time.
