“ Jenny was the best friend we could have ever hoped for. We did so many wonderful things together. We went to Europe with her and Dave, we had great trips all over the U. S. With some awesome memories to share. We spent many winters in AZ with friends Jo and Bill Smith and visited some very special places; Zion, Bryce, Sedona and of course Rocky Point, Mexico. We shared Jenny’s love of pickling, preserving, canning and cooking old Southern style meals, especially biscuits and gravy. We were never hungry when Jenny was around and our laughter always filled the kitchen. We will never forget our friend Jenny.
