“ We cannot say anything without smiling about Jill. Although she will be missed tremendously she left a heart print with all who knew her. One memory was when we were going to Fruithurst and our truck broke down a ways from her house. I went to borrow a phone and she would have it no other way but that I borrow her car for my wife so she could go on to the scheduled function!! That is just one example of her doing more for people in need. She had a big heart and cut a lot of peoples hair for free if she thought it would help them financially. She gave people jobs to help their situations. She literally gave the “ shirt off her back”, to my mom - often with the tags still on them! She loved a good story of old times and local folks to the point of laughing so hard I would have to stop until she could catch her breath.
Jill meant a lot to me and my family. She was loved and will be missed deeply.

“ *Memories of our friendship bring smiles to my face. We had so much fun at Borden Springs School. We made pine straw houses, ate crab apples that were in the ditch, swang so high that our feet would touch the pine limbs. I would trade her something of my lunch for those golden sweet apples that she would bring. We played in what we called "the coat room" even while others were having classes, guess we were special, I took some of my (what we called them, shortie pajama tops) and pretended that we were pregnant, LOL, Silly little girls. My mother took us to Cedartown to get our first nylon stocking & little heels. Jill fell down going up the steps at church the first time wearing them & tore her stocking, I kept mine for the longest time. We shared lots of memories, Jill will be missed. Loved her.*

“ *Jill you were one of my best childhood friends. You taught me how to drive on stick shift when we were 16. My growing up years in Borden was wonderful. We had silly little spin the wheel parties, riding around in Cedartown from one end of town to another. Altho we didn't stay in contact, I will miss you my friend. Rest in peace.*

I loved Jill with all my heart! I love her family too. I lived with them my senior year in High School. I remember how infectious her laugh was and the many many times we went riding mostly to Mainstreet Cedartown once in 6 inch snow. Got in trouble for that one-couldn't hide our tracks. Jill was a good Christian person and a positive influence on me. I lost a good friend and mentor but Heaven gained another Angel.
