“ After a too long time of pleasant pass and repass, I was finally able to spend some quality time with Clyde. He was as described in earlier tributes. Our families had touched many times in the past and it was great to hear some of the history of family and community. Men of memory must continue to be respected. I will miss his knowledge of the local community. Bill Knight

“ Carol, Rhonda, Sharon- We are so sorry to learn of Mr Clyde’s passing. We loved our times together at church. Recently a friend had shared a picture of the old SG train depot with us and he sent one to your dad. While visiting David learned he liked fresh fruit salad, so on the next trip David took him that treat. We really will miss seeing him. He was so knowledgeable on local history. Our prayers with you all.
