“ I really am lost for words as my heart is saddened to learn my dearest and best friend is no longer here. Our last conversation on thanksgiving week of 2020 was filled with laughter and memories of 20 years of great conversation, support, and unconditional love. One of his favorite things he ended every conversation with was Lyric I love you but God loves you even more. So now I add John I loved you but God loved you even more. Prayers to his son Patrick and Daughter in law Susan may you all stay strong. To his family and friends much prayers and love to you all.

Sorry to hear about John. Last time I saw him was at Philadelphia Church. I remember running around with him, Travis West , Leon Jones, Lewis Ward and Sam Hooper. The yellow ford fair lane. Time slips away fast ,it is good to know JESUS. May GOD bless the Family.
