“ I just at this moment heard about Julian's passing. My heart aches knowing he is gone and for the family left behind. He always looked out for my yard, and would let me know when something needed taken care. Very nice gentleman. I would love to have a handout card from the funeral. May God bless all ! Julian was my next door neighbor. 5wG

“ *Though your hearts must hold deep sadness. It also hold the memories of the wonderful life you shared. May your memories be long and your grief be brief, and may God give you strength beyond normal not only now but in the days to come.*
