“ I first knew Mrs. Webb when she worked at FEW, I always thought she was always so sweet and pretty, nice everytime she spoke to me. Then I got to meeting up with her at yardsales, I guess, we both being grandmothers, made us have a little in common. But, we would talk about the kids and just little things. This is such a shock to me, My heart goes out to all of you. I know your lives have changed drastisticly. I thought the world of her and will miss her. God will help you get through this, I pray, he will.

“ Two weeks ago I talked to Joyce and we spoke of the need to have a high school class reunion before anymore of us passed away. Another has, Joyce.

*I remember Joyce as being extremely intelligent and very nice. She was probably the most intelligent one in our class.*

*She and I remained friends throughout the years and we able to talk on occasion. I will miss her friendship.*

*I am praying for Dwight and family.*

“ Joyce and I were graduates of the class of 1964, Piedmont High School. She was the smartest member in the class and very nice.

God be with her family.
