“ Judy as I knew her was a wonderful lady. The bear huggers that Judy was part of bought Avon from me for a while. The ladies would come to my house to pick up their orders and also to visit with me. I was on chemo during this time and they brought me things that they had made as a group ( the bear huggers). Their thoughtfulness meant so much to me. Their visits also meant everything to me during my illness. Heaven is getting a wonderful soul!
