“ Miz Arnette” was my 5th-grade teacher at FEW during the 1968-1969 school year. I absolutely loved her! Among the many wonderful things she did for our class, she read the entire book of *The Adventures of Tom Sawyer* to us. What a wonderful and nurturing teacher she was! As I read the obituary and saw that she was preceded in death by an infant daughter, I remembered her being out of school for a little while during that school year. As an oblivious 5th grader, I did not know what was going on at the time. Bless her heart! She made a big difference in a lot of young lives, mine especially... Zach Merrill

“ I am sorry to hear the passing of Mrs. Arnett. The last time I got to see her in town years ago she still remembered me from school. She had one heck of a memory. My prayers go out to the family. May God be with you all.

“ The best memory was when Judy and Robert got married I was the candle lighter along with Teddy. Then I always struggled in school and Judy would tutor me in the summer. My mother would always have ice cream for us. Thank you Judy for these memories
