“ I bought my first car from Aunt Regina. A stick shift. When I got into it to drive off she screamed, "Drive it like you stole it!!" and my mom just shook her head like "you better not!" I drove the wheels off that car - it took me on many of my adventures for a long time.

Aunt Regina had an infectious smile and a laugh that filled the room. Her strength to endure through adversity will always my greatest memory of her. She will be sorely missed. My heart and prayers are with her children and grandchildren at this time. May her love carry you through life's storms, and may you have her strength and tenacity to live life to it's fullest!!

See you on the other side Aunt Regina!! We love you!!
