“ Ed, Julie, Kelly, Condolences for your loss, you are in my thoughts and prayers. Kay was a very special person to me! She never hesitated to cook me a good southern meal when I was home and was always so kind to me. Kay was beautiful from the inside out, and outside in, and a great role model for women! I already feel her spirit flying around spreading her love and joy. May you find comfort and strength in loving memories you shared during this difficult time.
