“ Dearest Wanda & family members:  
We were so sad to hear of your loss. In the past years as we had gotten to know Pat we just came to love him so much. He was such a gentleman, so polite and hospitable. He was a man of knowledge and intelligence, and a joy to be around. I know he had a tough time there at the end but he loved God and would share that with anyone. He will be deeply missed. May God wrap his loving arms around each and everyone of you during the days ahead and always. We love you. Tonya(Tierce)Pike & David Pike
