“ Gary,

Praying really hard for you and your family. It's been an extremely difficult last few months, but you all know that this place is not our home.....we're all passing through here on our way to our real home. We love you all more than you know. Vicki so wanted to come but her immune system is down to about nothing. You are in our thoughts and prayers. If I can ever be of any help to you in any way please feel free to let me know.
